

Friend to Friend recruits and matches volunteers to visit (one-to-one) with elderly and disabled persons who live in nursing homes, assisted living and retirement homes for the purpose of forming friendships. The volunteer friends make a commitment to visit at least twice a month at their convenience, for a minimum of one year. Anyone may volunteer. Visits may be short, 15-30 minutes.

We thank all who have helped make the program possible; the residents themselves, the 'Visiting Friends', those who contribute financially, and the churches and businesses who have made Friend to Friend one of their outreach programs. We are deeply grateful to the staff persons of the 'Homes' listed below for their cooperation and assistance:
